

Notification of Extended Work Hours
March 5, 2024

Overview:

The East podium pour is the third of four structural concrete pours which requires extended work hours. The extended hours allow the contractor to utilize as much daylight as possible and limit the number of concrete pour days, reducing the impact on the surrounding community.

This noise exemption notification is for 231 Grant Avenue, Palo Alto, March 5, 2024. Work is authorized to commence concrete pump setup starting at 6:00AM and ending at 9:00PM.

Work being conducted:

Placement of +/-850 cubic yards of concrete
6:00AM Set up/mobilize concrete pump
9:00PM Complete demobilization

Location:

231 Grant Ave within construction boundaries
